FLEXI-COIL GD-847V3

- Tips sold separately
- Tips are held on by a 1" double roll-pin.
- McKay tips have proven themselves across N. America, Europe & Australia.
- Easy to pull - low soil disturbance.
- Excellent penetration in hard soils.

NOTE: Wings on the SWTF-03FC will wear off before the carbide does. Hard facing and carbide on the wings will improve wear and performance dramatically.
